

Creating Vibrant Communities

When families are strong and children thrive, the community prospers.

Virtual Town Hall: June 11, 2021 - 3:00pm to 5:00pm

Mark your calendar & register today!

We will be facilitating 6 online Town Halls to explore the necessary elements needed to thrive. Together we will identify priorities and unlock the potential for cross-element collaboration and help our communities “level up” their capacity for vibrancy. Our recommendations will feed into and build toward the Statewide Town Hall convening and final recommendations report.

Session 2 Access to Healthcare & Quality Affordable Food

- Learn about the top identified health needs from Yuma County’s most recent Health Needs Assessment and the progress made to address those needs.
- Explore important community collaborations and partnerships to improve healthcare services
- Understand the barriers to affordable food in our county, the impact of a growing demand for services at our local food bank, and the exploration of new ideas to ensure food security for struggling families.

Speakers: Dr. Bharat Magu, MD, FACP and Jonathan Lines, Chair Yuma Community Food Bank
